“ Alex was very loved by ALL of us and we will greatly miss him. Kaylee and Alex my heart goes out to you especially in that your time with him was short. He beamed with pride telling us about the two of you. Alex was always the first one to come and help with any crazy project we could come up with and never complained no matter what and had that wonderfully calming spirit about him. There will always be a special place in my heart for Alex. Love Aunt Cheryl, Rachel, Joseph, Tyler & Avery
