Tribute Wall

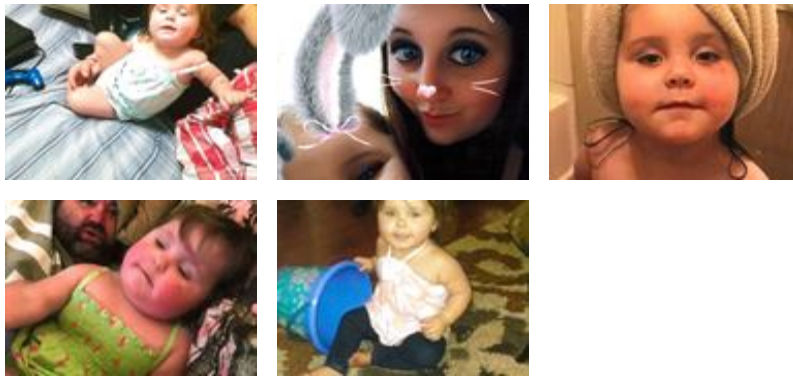

“ Our hearts are broken today as we say goodbye to our little angel! Baylee loved Minnie Mouse and pizza! She loved to dance. She was Daddy's girl! She was so loveable and loved hugs and cuddling. We are going to miss our little Bug so much but I know Jesus has her in his arms! G-daddy and G-Mama love you and will miss you always!

JA

“*Baylee was by all means the definition of a MIRACLE BABY. She had underwent 3 heart surgeries by the time she was 3 and each time she came out as if nothing ever happened. She embodied resilience and was always happy, always smiling and loved to dance. She defied all odds that were attacked against her. We were told shed never talk, she had a learners curiosity and would ask so many questions. We were told she would never walk, look at her dance in the photo, with a smile that was so contagious. She was a fighter and always came out on top. One of God's true miracles has been taken away from us too soon.*”

This hurts my heart to think she was mistreated. Prayers for comfort and peace in the days ahead
