“ *My daddy. I miss you so much. Today I was thinking of you. There’s so many great memories I hold of you but one I’d like to share with the world, is the bonfires we had. So many nights you taught me survival skills, roasted marshmallows, told camp fire stories, and shared your contagious laughter. Your laugh filled the air with joy and I’ll never forget it. You were brave, you were a protector, you were the light in darkness. You will always be my protector. With love, your daughter, Baileigh.*
