His heart was so big and he always stayed Humble and Kind. I will miss that man and I will NEVER forget the love and kindness he has given me and Elizabeth over the last 40 plus years. Thank you all for sharing him with us! I love you all...beyond words <3

“ I have had so many wonderful times with Dave & Judy. We traveled to several golf courses over the years & had so much fun. We had weekends at the cottage that were unbelievable! Dave & I we're good at butting heads but we always made up. He will be missed but I know he & Mike have hooked up & they are talking about all of us!

“ I met Dave through pool. He was one of the first people I ever played in a big tournament. I was scared because everyone kept telling me he's tough he's good you have to watch out. Well I shook his hand introduced myself and it began. Lol he started making balls and just kept making them. After it was a over I told him how great he played and he was kind enough to say "well if you wouldn't have missed that certain ball you would have beat me" I told him you are so sweet that you would boost my confidence with a lie lol. He told me to keep it up. Later these last few years when we played I always asked to play him. Yes he beat me 99% of the time but I didn't mind one bit. I got to play Dave and I had fun playing him. When he would ask me what ball was he becuse he forgot I would tell him Mr Dave you just pick the one you want and shoot it . I am really going to miss him. I am honot that I knew him , played pool with him, got beat by him , and got hugs from him . But most importantly I am honored that he was my friend. Rest in Peace Mr Dave . I will miss you. I won't say goodbye but I will say until we meet again and play some pool in heaven and be warmed up and waiting on me.
