“ Some people just leave a lasting mark on your life and Jackie did mine, I'll always cherish having known her and keep her memories close in my heart. I'm sad to know she's gone for now but I'm glad I had her in my life for the time we got to share together. May God's comfort and peace be on everyone who knew her.

Jackie was a dear friend of mine we met when we were probably around 13 or 14 years old. I used to spend a lot of weekends at her house. She was so funny and she was always happy to see you and you never seen her without a smile and she had a way of making you smile right back at her. She was so funny and sweet. She will always have a special place in my heart. I know she's dancing with the angels and every time I see a bright star shine oh no it's Jackie. Love you, sister 🙏🌸🌈
