Jeff Muse was born December 13, 1958, in Memphis, TN. Jeff enjoyed many things in life. He was a huge University of Alabama fan and represented Crimson every chance he had. He also enjoyed to fish, hunt, and enjoyed muscle cars. He was even a member of a local muscle car club. Above all, Jeff loved his family and his church, Southpoint Church. Jeff had a huge heart, and his selfless and generous spirit will be missed by all who loved him.

Jeff was a tremendous man of faith. He loved the Lord Jesus Christ, he loved SouthPoint Church, and he was very generous with his time and money. He used both to support our community in many ways. He was especially excited about the SouthPoint Community Center that is currently being built and its future impact on our community. Therefore, in lieu of flowers the family has requested that donations be made to the SouthPoint Community Center in his memory.

“ Jeff was a very nice gentleman. He was totally honest, did his best for his customers and trusted in our Lord.

He's the only person I've ever trusted with a key to my house, and a signed blank check for work he was doing after we sold our house and the moving truck left.

He's the gentleman who installed a whole new system at our current home starting at 8 AM on 12/26/2008 and having it completed (with his crew) by 5 PM that day when we discovered that our HVAC at the house we'd just bought and moved into did not work! Another time Jeff saved the day!

He's the gentleman who, trusting in our Lord, was able to build his business literally from the ground up and be very successful. He has left the legacy as well as the family's reputation for honesty as his mark in this Earth.

We did not know that Jeff had passed on to eternal life until today. While we extend our more sincere sympathies to Miss Anita and the entire family and friends, we know that Jeff has received the best reward ever...Heaven. He earned and deserved it, He was the Lord's servant on Earth and memories of him will always be of his smile and gentle manner.

May God Bless the Muse family.

“ *Our greatest memory was taking Jeff to do virtual reality. What a wonderful time that was for the bible study group! His exposure to that world was one we will not ever forget. His memory brings us joy and sadness. He was such a wonderful, generous godly man.*
