Joyce was born July 28, 1944 in Memphis, TN. She loved animals, especially dogs. Her beloved dog's name was Bear and he was her pride and joy.

Spending time with her family was her most cherished time of all. She loved her grandchildren more than life itself. Gardening and riding the tractor were some of her favorite hobbies, but anything having to do with the outdoors would do. She will be extremely missed by her family and all those who knew her.

She is survived by her son, Richard Hayes (Christy); her daughter, April Maness; her brothers, Keith Patterson and Dirk Tully; her sisters, Patsy Smith and Judy Still; 7 grandchildren; her granddaughter, Bailee Hayes; 7 great-grandchildren; and her beloved dog, Bear.

Joyce was preceded in death by her husband, William Hayes; her father, B.T. Patterson; her mother, Lillian Patterson; and her daughter, Michelle Renee Hayes.

Memorial contributions may be sent to St. Jude Children's Research Hospital

“ I remember last Christmas Joyce invited us to her house because she was going to sell us a big blow up nativity scene. She showed me all her Santa's and her house completely decked out for the Christmas! She was so very sweet and gave me some beautiful decorations! She always gave great hugs too! She will be missed!

“ Joyce always sent a card to say “I'm praying for you and I love you.” She always wore a smile and was so full of love. Her heart was as big as she was. She made some really awesome plum jelly too!! She will be truly missed and her memory will be treasured.

“ I will always remember her smile.. even when she was so sick. Her love for her Pastor and the people. She loved being in church and hearing God’s word .. being so sick she still pressed through to being in God’s house. She had so much love for her kids and grandkids as well as her church family who adored her. This is not goodbye.. this is I’ll be with you again my dear sweet friend. Too many memories to list.

I will always remember her love for everyone. How after she cleaned church she would go in the sanctuary and pray over every pew and everyone that sat on that particular pew. She loved Christmas and loved for her house to be decorated inside and out. I will miss, you dear friend, but will see you again.

“ My favorite memory would have to be my entire life with her. She was my person and my absolute bestfriend. We would go to yard sales on the weekend, bake some mud cookies, enjoy a good BBQ or hot wings together, we laugh, I'd share literally everything with her. 19 years I got to spend with my bestfriend.
