“Kenny was my beloved brother in law for 51 years. In those years we enjoyed a special relationship . He was a big brother and my friend. I could always count on him for a laugh , a hug and an " I love you." He carved out a special place in my heart that will forever be saved just for him. Kenny led an adventurous life , and because of the countless conversations we had about Jesus, I hope to see him again in our new life in Heaven. What a joy to see him restored to health to enjoy all of the best of his personality. Here's one more " I love you" to my brother and friend from " little ol' Sharon."
