“ *Mona was loved by many and will be greatly missed. I only can speak of what I know firsthand, but I know her whole family and friends were the world to her.*

Misty, your mom loved you from the moment you blessed her at birth until she took her last breath. She knew that she had a Warrior in you. She knew your love was deep and that you cared for her so very much. If she worried about you, it was only because she knows how deeply you love and how much you would miss her. She was so proud of you as her daughter and as a mother.

May all the good memories be what you keep close to your heart and mind. May those memories bring comfort to your heart, joy to your soul, and being a smile to your face.
