“ What began as a professional relationship, soon evolved into friendship ... with burgers or barbecue on the deck of their log cabin overlooking the beautiful Blue Ridge Mountains. We shared stories, memories and laughter galore! Reggie cared for & cherished his wife Jenessa, as she did him. He was absolutely smitten with Everett & fell comfortably & completely into his role as Papa, expressing once never having known such joy! I love you my dear friend! Until we meet again ...

“ Reggie was the best “Papa” (grandpa) to our son, Everett. Everett loved snuggling on Reggie for nap time and listening to him sing. They were two peas in a pod. Reggie’s loving nature, sense of humor, and generosity will forever be remembered and missed.

“ I had the privilege of coaching with Reggie for 3 years at Clinton High School. We shared some great times, both on and off the field. We have remained friends & have talked at least once every two weeks. I will miss my friend. A big man with an even bigger heart. He loved his family. I am heartbroken but I know he’s resting now. Prayers for his family.

“ Our family has many fun memories of the Surles Family from 1963 forward. With Reggie’s father being our principal and mother being one of our best friends. We were close and watch those cute little boys grow up into adulthood. Reggie followed in his parents footsteps to become a math teacher. He will be missed but we have lots of good memories. God bless.
