“ I always enjoyed taking Timmy to check out the guitars and making a run to buy him a Starbucks coffee. He loved playing his guitar and listening to classic rock, but that paled in comparison to the love he had for his family. I will miss your friendship, Timmy. Will

“ *Many years ago, I loved to watch Timmy play the guitar... He had a true gift. In addition... We played so many football games in Tim's yard... Really enjoyed playing those games.*
